

Water and Sewer Construction Worker

The Lynn Water & Sewer Commission is seeking individuals who have prior construction and labor experience, able to operate heavy equipment and tools including but not limited to; jack hammers, pry bars, pumping generators, shovels, etc. A strong candidate must have the ability to multi task, prioritize, and work under pressure in all weather conditions as a team member, along with the general knowledge of job site procedures. A Massachusetts Motor Vehicle Operator's License is required with CDL General Knowledge, Air Brake and Tanker Endorsements.

The individual for the position of Sewer Construction Man – 3rd Class will perform heavy laboring tasks required in the construction and maintenance of sewers and drains and other related projects incidental to sewer collection system maintenance and repair.

The individual for the position of Water System Craftsman – 3rd Class will perform all heavy laboring tasks required in the installation, repair and maintenance of the water system and other related duties.

LWSC offers a competitive salary with a full benefits package including educational reimbursement, and is an Equal Opportunity Employer. **A Lynn Residency is Required.**

Application with letter of interest and resume to: Lynn Water & Sewer Commission
C/O Robert Fennell, Deputy Director, 400 Parkland Avenue Lynn, MA 01905

Email to: bfennell@lynnwatersewer.org

Position closes: March 2, 2018 at 12:00 p.m.
