

# OFFICIAL ADVISORY

The LWSC's Contractor for the Phase 3 West Lynn Sewer Separation Project will be performing work in Commercial Street. The work will take place on Tuesday, May 23 and Wednesday, May 24 from 7 AM -5PM each day.

To accommodate this work, Commercial Street will be one way only in the South direction between Neptune Boulevard and Bennett Street. Northbound traffic will be detoured via Alley Street, Blossom Street & Neptune Boulevard, back to Commercial Street

LWSC encourages drivers to avoid the area and seek alternate routes to minimize delays. Those traveling through the area should expect delays and should reduce speed and use caution.
